

7311 Agencias de publicidad

What is the CNAE code for Advertising Agencies?

The CNAE code for the business activity of Advertising agencies is 7311. Therefore, all those companies that carry out any economic activity related to this type of business will be grouped in the category 7311 in the Spanish National Classification of Economic Activities.

Characteristics of the National Classification of Economic Activities code

The categorisation of a business activity in the CNAE can be divided according to its activity, division, group and class, which are identified with alphanumeric codes of one, two, three and four digits respectively. In the case of activities related to Advertising Agencies, the code will be 7311.
